It is the financial responsibility of you, the customer, to manage your checking account. Fees for paying or returning an item are disclosed in the above "Other Maintenance Fees".

PAYMENT ORDER OF ITEMS

The order in which items are paid is important if there is not enough money in your account to pay all of the items that are presented. Our payment method will generally direct your smallest items to be paid first and may decrease the overdraft or return fees you have to pay if funds are not available to pay all of the items.
